Inservice Training (M)

3244 PROFESSIONAL DEVELOPMENT IN-SERVICE TRAINING (M)

Professional Development (In-Service) programs shall be the responsibility of the Assistant Superintendent for Teaching and Learning in conjunction with the local Professional Development team. He/she shall solicit from teachers and staff input on the need for in-service instruction and shall develop an appropriate program, establish a schedule and notify the appropriate individuals and inform the Superintendent of Schools, who shall apprise the Board of Education regarding the Professional Development (inservice) program for teachers and staff.
