2551 MUSICAL INSTRUMENTS

The Board of Education will purchase and maintain a supply of musical instruments for students enrolled in the instrumental music program.

In general, students are encouraged to purchase their own musical instruments. District-owned instruments will be available to those students for whom the purchase of a musical instrument would impose a difficult financial burden

District-owned instruments will be available to students, in the order in which requests are made, until the supply is exhausted. If necessary, instruments will be redistributed among schools to satisfy the demand.

Instruments will be loaned only to those students whose parent(s) or legal guardians(s) has agreed in writing to assure the safe return of the instrument and to bear the cost of necessary repairs. No fee will be charged for the loan of district-owned musical instruments.
