5230 LATE ARRIVAL AND EARLY DISMISSAL

The Board of Education requires that students be in attendance for the full school day in order to benefit from the instructional program. That requirement will be waived only when compelling circumstances require that a student be late to school or dismissed from school before the end of the school day.

The Principal may excuse for cause the late arrival and early dismissal of a student on the prior written request of the student's parent(s) or legal guardian(s). Good cause may include, but need not be limited to, medical and dental appointments that cannot be scheduled outside the school day, medical disability, a motor vehicle driver's test, interviews for college entrance or employment, and court appearances.

Late Homeroom/Early Dismissal

Juniors and seniors who maintain a C or above average are students in good standing and are scheduled for eighth period study hall will be eligible for early dismissal. Parent(s) or legal guardian(s) approval must accompany the request.

Students on early dismissal who choose to remain in the building must report to the library, senior lounge, guidance or some other supervised area.

When a change in schedule is necessary to accommodate the school program, students who have early dismissal or late admission will be required to attend the full school day.

Late homeroom is available to juniors and seniors who have a first period study hall. Upon arrival at school, the student must report to the designated rooms as follows:

Regular schedule	8: 34 AM
Half day schedule	8: 20 AM
One hour delay	9: 25 AM
Two hour delay	10: 17 AM

An unexcused lateness to homeroom will be handled according to the discipline code. Abuse of late homeroom or violation of the student discipline code may result in a suspension of the privilege.

No student will be permitted to leave the school before the end of the school day except in the presence of the student's parent(s) or legal guardian(s), or an agent of the parent(s) or legal guardian(s) who has written authorization, or in the custody of agents of the state acting in their legal capacity.

The Principal shall maintain a record of the parent(s) or legal guardian(s) of each student. If one parent has been assigned custody of the student by court order or separation agreement and

wishes to limit the non-custodial parent's access to the student, the parent in custody must inform the

Principal of any such limitation and may request that his/her authorization be required before the non-custodial parent is granted access. In the absence of such notice, the Principal will presume that a student may be released into the care of either parent.

A. Definitions

1. “Late arrival” means the arrival of a student after the beginning of the student’s school day for an excused purpose. A late arrival is not an instance of tardiness for the purpose of applying Regulation No. 5240.
2. “Early dismissal” means the release of a student from school prior to the end of the student’s school day for an excused purpose; "early dismissal" includes the release of a student for a period of time that occurs during the student’s school day. 3. “Dismissal from class” means a student’s brief absence from his/her assigned class for a reason that has been approved in advance. A "dismissal from class" is not a class "cut" for the purpose of applying Regulation No. 5200.

B. Acceptable Excuses

The following circumstances justify a student’s late arrival. The list is not meant to be exhaustive, and the Principal should use his/her best judgment in determining whether or not there is good cause for the student’s late arrival.

delay the student's arrival at school.

3. A student who arrives late at school shall report to the attendance office and pick up a late arrival permission slip, signed by the attendance secretary. The permission slip will include the date and the time of the student's arrival. The student will proceed to his/her assigned class and present the permission slip to the teaching staff member in charge, who will verify the date and time.

D. Early Dismissal Generally

1. A student's early dismissal must be approved by the Attendance office in advance. Except for emergencies, an early dismissal that is not approved in advance will be considered to be an absence.
2. The parent(s) or legal guardian(s) or adult student shall submit a written request for approval of an early dismissal to the Attendance office. The request must include the reason for the student's early dismissal and a statement of why it is necessary to excuse the student before the end of the student's school day.
3. A student must obtain an approved early dismissal permission slip from the Attendance office and present the slip to the teaching staff member in charge of the class or activity from which the student is to be dismissed. The permission slip will include the date and time of approved dismissal. The teaching staff member in charge must verify the date and time.

E. Early Dismissal for Illness or Injury

1. A student who suffers a significant illness or injury during the course of the school day will be treated in accordance with Policy and Regulation No. 8441.

4. No student in grades pre-school through grade five shall be released from school before the end of the school day except in the presence of the student's parent(s) or legal guardian(s) or an agent of the parent(s) or legal guardian(s).

1. A student's parent(s) or legal guardian(s), or caretaker may request the student's early release for a bona fide family emergency. Early dismissal for family emergency must be approved by the Attendance office.
2. A student will be released to a parent(s) or legal guardian(s) who reports to the school office and explains satisfactorily to the Principal that good and sufficient reason justifies the student's release from school before the end of the student's school day.
3. A student will be released to an agent of the parent(s) or legal guardian(s) provided the parent(s) or legal guardian(s), or a caretaker personally known to the Principal has requested the student's release by:

 - b. A telephone call that is verified by a return telephone call to the student's residence or, if the call does not originate in the student's home, by interrogation of the caller to test his/her knowledge of specific facts about the student.

6. The Principal shall maintain a record of each student's parent(s) or legal guardian(s). The record shall include any legally sufficient notice given the Principal by a parent(s) or legal guardian(s) in sole custody that the noncustodial parent's access to the student has been limited. In the absence of such notice, the Principal shall presume that the student may be released into the care of either parent(s) or legal guardian(s).
