5515 Bicycles

The Board regards the riding of bicycles to school by students an assumption of responsibility on the part of students and their parents - a responsibility in the care of property, in the observation of safety rules, and in the display of courtesy and consideration toward others.

Students in grade 3 and above have the privilege of riding bicycles to school, but are not encouraged to do so because of traffic hazards.

Students who do ride bicycles to school are required to comply with New Jersey State Bicycle rules and regulations.

Students may use school bicycle racks at their own risk. The Board is not responsible for bicycles which are lost, stolen or damaged.
