5516 USE OF ELECTRONIC COMMUNICATION AND RECORDING DEVICES (ECRD)

No person on school grounds shall use an electronic communication and recording device to record any student(s) or school staff member(s) for any purpose without the consent of the student, the student's parent or guardian, and/or the school staff member.

The Board of Education believes, as per the school's signed media opt-out form, that students and/or school staff members should not be subject to having a video or audio recording taken of any student(s) or school staff member(s) for any purpose without the consent of the student, the student's parent or guardian, and/or the school staff member. In addition to protecting the privacy rights of students and school staff members, the Board recognizes such recordings can be disruptive to the educational program. In addition, inappropriate recordings of educational material, student assessment instruments, and/or student assessment reviews can be used to compromise the integrity of the district's educational program or lead to academic dishonesty in the event such recordings are stored and/or transmitted to other students. Therefore, the Board of Education adopts this Policy regarding student use of electronic communication and recording devices.

"Electronic communication and recording device (ECRD)" includes any device with the capability to audio or video record or is capable of receiving or transmitting any type of communication between persons. An ECRD includes, but is not limited to, cameras, cellular and wireless telephones, pagers/beepers, laptop computers, electronic readers, personal digital assistants (PDAs), two-way radios, portable fax machines, video broadcasting devices, and any other device that allows a person to record and/or transmit, on either a real time or delayed basis, sound, video or still images, text, or other information.

For the purposes of this policy, "school grounds" means and includes land, portions of land, structures, buildings, and structures that support these buildings, including, but not limited to, administrative buildings, kitchens, maintenance shops, and garages. "School grounds" also includes other facilities as defined in N.J.A.C. 6A:26-1.2, playgrounds, and other recreational places owned by the local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of such land.

An ECRD used in violation of this Policy will be confiscated by a school staff member or Principal or designee and the student will be subject to appropriate disciplinary action.

Please refer to Policy 2361 which refers to bringing your own device to school.
