8320 PERSONNEL RECORDS

The Board of Education believes that the orderly operation of the school district requires the retention of all records bearing upon an employee's qualifications for employment and employment history.

The Board requires that sufficient records be compiled and maintained to demonstrate an employee's qualifications for the position assigned; compliance with Federal, State, and local benefit programs; conformity to district rules; the proper conduct of evaluations; and the employee's entitlement, as appropriate, to tenure and seniority.

The Superintendent shall be responsible for the custody and maintenance of personnel records. A single, central file of documents shall be maintained; temporary, subsidiary records will be permitted for ease in data gathering only. An employee's personnel file shall be maintained for six years following his/her termination of district service, provided the employment history record card is maintained a minimum of eighty years.

A Board of Education and private agencies that provide educational services by means of public funds shall make employee records and information available for public access pursuant to N.J.S.A. 47:1A-10, the Open Public Records Act, but in accordance with N.J.S.A. 18A:6-120.(d) and 121.(d), and as provided in Policy and Regulation 8320 - Section H.

Personnel records may be inspected by school administrators to the extent that such inspection is required in the performance of the inspector's duties.

Board members may have access to confidential information in the personnel files of only those employees recommended for or subjected to an employment action requiring a vote of the Board or where access to the information is essential for the performance of the Board member's duties. Board member access to personnel files is limited to the relevant portion of the file and is available only through the Superintendent. Board members may freely inspect employment applications filed by candidates for district positions.

An employee may inspect his/her personnel file provided that the employee requests such access in writing, reviews the record in the presence of the administrator designated to maintain the file, makes no alteration or addition to the file nor removes any material from it, and signs a log attached to the file indicating the date on which it was inspected.

An employee may appeal to the Superintendent the inclusion or exclusion of records or for appropriate administrative review of the accuracy of any record in his/her personnel file.

The Superintendent shall prepare rules enumerating the records to be maintained for each employee of this district, including, as a minimum and as appropriate to the position, the completed application form, employment contract(s), a copy of the employee's qualifying
