### **2421 CAREER AND TECHNICAL EDUCATION (NEW)**

The Board of Education believes a program(s) of career and technical education is important to the educational development of its students. The New Jersey system of career and technical education has as its purpose to:

1. Support developmental career education designed to provide students opportunities to enhance career awareness, exploration, preparation, and decision-making skills necessary for success in the workplace;
2. Provide secondary and postsecondary students with career and technical education programs and programs of study in Department-recognized Career Clusters in accordance with N.J.A.C. 6A:19-1.1(a)2.;
3. Support a comprehensive K-12 career education and counseling system; and
4. Support the workforce development system by helping to ensure quality postsecondary educational opportunities for adult students.

The Board provides a program of career and technical education with students guaranteed the right to apply and, if accepted, to attend a county vocational school district. The district shall provide a county vocational school district and its designated representative(s) with reasonable opportunity, during school hours, to present information about the county vocational school district's programs to all students, grades Kindergarten through twelve in the schools of the district in accordance with N.J.A.C. 6A:19-2.3(d). The Board of Education may not in any manner inhibit student access to such information.
