2520 INSTRUCTIONAL SUPPLIES

The Board of Education shall provide staff members with the supplies, and materials, necessary for the successful implementation of the instructional program and provide students with the supplies and materials required for the successful completion of courses of study.

The Board expressly exempts from this Policy such clothing or personal equipment as may be required for reasons related to the safety and health of students or the protection of school property and are individualized or non-reusable, and any materials used in the manufacture or preparation of useful or decorative items that students are permitted to retain, except that no student will be denied participation in any course of study or school sponsored activity because of their financial inability to bear the cost of such clothing, equipment, or materials.

Supplies and materials will be distributed throughout the school district in a manner that ensures equal distribution to students; school facilities; courses; programs; and activities and services, regardless of the protected categories listed at N.J.A.C. 6A:7-1.7(a).

The Superintendent or designee shall develop procedures for the selection and utilization of instructional supplies that include effective consultation with teaching staff members at all appropriate levels.

R 2520 INSTRUCTIONAL SUPPLIES

A. Definition

“Supplies” are the consumable materials distributed to teachers and students for the successful implementation of the instructional program.

B. Supply Procedures

1. Each staff member will be able to request supplies by submitting a request to the Principal or designee.
2. Supplies will be kept in a secure location. The Principal or designee will be responsible to approve the request of supplies for their school and staff.
3. The staff member’s request will be retained by the staff member and the Principal or designee.
4. At the end of each school year, a record of the inventory of supplies retained by the staff member shall be reported by the staff member to the Principal or designee.
5. The Principal will encourage all staff members to suggest additional supplies and/or replacements for the supplies used.

C. Cost of Supplies

Supplies will be made available without charge to all students, except in the following circumstances:

1. Where non-reusable clothing or personal equipment, such as gym outfits, is required for the safety, health, or the protection of school property, students will be requested to provide their own clothing or equipment. The Principal may require that such clothing or equipment meet school standards and may recommend a suitable vendor for the clothing or equipment.
2. Where a student enrolled in a class or activity in which an item is made, such as woodshop or home economics, chooses to prepare and keep a useful item, the student may be required to pay the costs of the materials used. Students shall always be given the option of preparing an item for use by the school, for which no charge will be made. Any charge made under this regulation will be presented in writing by the teacher with a copy to the Principal or designee office, and the moneys collected will be deposited with the Business Office.
