ARTICLE 15 - COMPLAINTS AND GRIEVANCE PROCEDURE

- A. **Complaints:** An employee with a complaint will first discuss it with his/her immediate superior, with the objective of resolving the matter informally. If the complaint is not settled within seven (7) calendar days, and involves a matter subject to the Grievance Procedure, it should be reduced to writing, and considered a grievance subject to the grievance provisions of this Agreement.
- B. **Definition:** Grievance: A grievance is a dispute or difference between the Board and the Association, or the employees represented by it, with respect to the interpretation, application, or violation of this Agreement and administrative decisions affecting the employees.

- C. The purpose of this procedure is to secure at the lowest possible level equitable solutions to problems that may arise affecting employees. Both parties agree that proceedings will be kept informal and confidential at every level of the procedure.

D. **Time Limits**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. All grievances will be presented as soon as possible after the occurrence, but in no event later than twenty-one (21) calendar days. Grievances not following this process will not be considered by the party to whom presented.
3. All grievances will be presented at Level One in writing on grievance forms provided for that purpose, and will set forth the provisions of this Agreement, Board policy, or administrative decisions upon which the grievance is based.
4. Grievance decisions, and any appeals to a higher level of the grievance procedure, will be in writing on grievance forms.
5. In the event a grievance is filed that cannot be processed through all steps of this grievance procedure by the end of the school year, and, if left unresolved, could in the opinion of the Association or the Board, result in irreparable harm, the time limits set forth will, at the request of either party, be reduced as much as practicable, so that the grievance procedure may be completed by the end of the school year; however, the party upon whom the request is made will have the right to reply within the time limits in this Agreement.

E. **Procedure**

1. **Level One:**

- a. Within seven (7) calendar days after a grievance is submitted by the Association, it will be discussed in a meeting between the Association's Professional Rights and Responsibilities representative for that building and the immediate supervisor.
- b. If the grievance is not settled within twenty-one (21) calendar days after it is discussed in the meeting with the immediate supervisor, the Association may appeal it to Level Two within seven (7) calendar days after the decision at Level One, or twenty-eight (28) calendar days after the grievance was submitted for discussion, whichever is sooner.

2. **Level Two:**

- a. A grievance submitted to Level Two will be discussed within seven (7) calendar days of receipt of the grievance form by the Chairman of the Association's Professional Rights and Responsibilities Committee, and the Superintendent of Schools, or his designee.

- b. If the grievance is not settled within fourteen (14) calendar days after it is discussed with the Superintendent or his designee, the Association may appeal it to Level Three within fourteen (14) calendar days after the decision at Level Two, or twenty-eight (28) calendar days after the grievance was presented in discussion at this step, whichever is sooner.

3. Level Three:

- a. A grievance submitted to Level Three will be discussed within fourteen (14) calendar days of receipt of the grievance form by a committee appointed by the President of the Association and a committee appointed by the President of the Board. The respective committees will include the Chairman of the Association's Professional Rights and Responsibilities Committee and the Superintendent of Schools.
- b. A decision will be made by the Board within fourteen (14) calendar days after the grievance was discussed at this step.

4. Level Four:

- a. If the grievance is not resolved at Level Three, then a grievance with respect to the interpretation or application of provisions of this Agreement may, within twenty-one (21) calendar days following a decision at Level Three, be submitted by the Association to binding arbitration under the voluntary arbitration rules of the Public Employees Relations Commission (PERC).
- b. If, in the opinion of either party, the grievance submitted is not arbitrable under the terms of this Agreement, then the arbitrator will first rule if the grievance is arbitrable, and if it is not, will dismiss it.
- c. The arbitrator will not have the jurisdiction or authority to add to, detract from, or alter in any way the provisions of the Agreement.
- d. In the event of arbitration, the costs of the arbitrator's services will be equally shared by each of the parties.

F. **Areas and Subjects Excluded From Arbitration**

- 1. Matters where a method of review is prescribed by law, or by any rules or regulations of the State Commissioner of Education or the State Board of Education.
- 2. Matters where the Board is without authority to act.

G. **General Guidelines**

- 1. No employee will be disciplined, reprimanded, or reduced in compensation without just cause.
- 2. All documents, communications, and records dealing with the grievance will be filed in a separate grievance file, and will not be kept in the personnel file of any of the participants.

3. No reprisals of any kind will be taken by the Board, or by any member of the administration, against any party of interest, any representative, any member or the Association, or any other participant in the grievance procedure by reason of such participation.

A. Teachers

1. Except in unusual circumstances requiring later assignment, notice of assignment to teachers whose employment has continued from the prior year normally will be given by the second week in August. Such notice will include class and/or subject, building and room. Such notice will not preclude a change in assignment of a teacher.
2. Non-tenure Employee Offer of Assignment
 - a. The state code will determine the date the Board is required to notify employees of the offer of a contract for employment. At that time, the Board will give to each non-tenured employee continuously employed by it since the preceding September 30 either:
 - (1) A written offer of a contract for employment for the next school year, providing for at least the same terms and conditions of employment, but with such increases in salary as may be required by law, or policies of the Board; or
 - (2) Notice that the employee will not be offered a contract for employment for the next school year.
 - b. Should the Board fail to give to any non-tenured employee either an offer of contract for employment for the next year, or a notice that such employment will not be offered, all within the time and in the manner provided by statute, then the Board will be deemed to have offered to that employee continued employment for the next school year based upon the same terms and conditions, but with such increases in salary as may be required by law or policies of the Board.
 - c. If the employee desires to accept such employment he/she will notify the Board of such acceptance, in writing, on or before June 1, in which event such employment will continue as provided for herein. In the absence of such notice of acceptance, the provisions of this article will no longer be applicable.

 - i. Academic/special education run assignments: Prior to the beginning of each school year, administration shall provide a list of available runs to drivers who will choose their preferred runs based on seniority, within the limits of their work schedule. If a student in need of transportation has special needs, documented in an IEP, which affect assignments of bus routes, administration may use this need to assign runs in an order other than seniority.
 - ii. Athletic and field trip assignments: Each month, administration shall provide a list of available runs to drivers. Drivers will inform administration of their availability during the available dates and times and their preferred runs. The Athletic Director will use this information to assign runs based on the seniority list, within the limits of their work schedule. After athletic/field trip drivers have been assigned routes according to this process, any remaining unassigned routes may be offered to academic/special education drivers in seniority order.
 - iii. When rescheduling on short notice is necessary, the Athletic Director may use discretion in finding a replacement for a bus driver's route.
- b. Drivers asked to take buses for inspections or repairs will be paid at the same rate and under the same conditions as a regular route assignment.
- c. If a run is canceled within 45 minutes of the two-hour block's assigned start time, a driver will be paid for the full two-hour block.

2. Work Day

 - i. The first block of the day will include a 30-minute pre-trip safety check.

2. The Superintendent will furnish notice of vacancies to the Association President within five (5) calendar days of the position becoming available.

B. Teachers

1. Within the thirty (30) day period prior to October 1, and again within the thirty (30) day period prior to April 1, a teacher may file with the Superintendent up to two requests for promotion, transfer, or reassignment. These requests will be in accordance with rules established by the Superintendent.
2. A teacher may file with the Superintendent a request for transfer, reassignment or promotion for openings which may occur during the summer recess. The Superintendent will review any requests, which are in his/her files prior to recommending a promotion or reassignment to the Board to fill an opening during the summer recess. Nothing herein will limit the Superintendent in his recommendations to the Board.
3. Normally, in cases of transfer or reassignment, the teacher's agreement will be obtained, but the Board will not be limited in its right to promote or reassign teachers in the school system.
4. In the unusual circumstances when the teacher's consent cannot be obtained, any involuntary transfer or reassignment may be reviewed and considered through Level Three of the grievance procedure. Teachers will be given a minimum of one week's notice prior to reassignment.
5. For the purpose of this Agreement, "transfer" means a move to a new building; "Reassignment" means a change in job title, change in grade level within the same building or a change in the subject area taught; "Promotion" will refer to positions outside the bargaining unit.
6. In the event of a transfer to a new building, teachers will be paid for up to two (2) seven-hour days so that they can complete their classroom relocation. Payment will be at the current hourly curriculum rate. Payment is only for time outside the contractual workday.

C. Support Staff

1. When a job vacancy occurs, employees in that category, or employees in a higher category, may desire a transfer to another school, or in the case of custodial and maintenance, to another work shift. Those who have filed a written request for a transfer with the Superintendent will be given first consideration for the transfer, provided that the employee who makes the request has the requisite qualifications and ability to perform the job satisfactorily. In the event the requested transfer is not approved, a written explanation will be given within fourteen (14) calendar days.
2. Requests, where honored, will be on the basis of the senior employees being given preference. However, the Board may select an individual with less seniority if in the good faith judgment of the Superintendent, the less senior person is better qualified. Transfers will not be arbitrarily or capriciously made.

ARTICLE 18 – INVOLUNTARY TRANSFERS

A. Teachers

1. Notice of an involuntary transfer will be given to the teacher as soon as practicable. A list of open positions in the school district will be made available to any teacher being involuntarily transferred. - A. Except in the case of an emergency, a teacher being transferred involuntarily will have, at the teacher's request, the right to a conference with his/her principal or administrator in charge, and the Superintendent or his/her designee prior to the effective date of the transfer.
- B. A teacher that involuntarily transfers to a different classroom within the same or a new building or has to pack up and unpack the content of a classroom will be entitled to compensation at the curriculum rate for time outside of the contractual day that is reasonably expended by the teacher on any such transfer. All requests for such payment must receive prior approval from the building principal. An elementary school principal has initial authority to approve requests for up to 10 hours, per relocation and other principals have authority to approve requests of up to 3 hours. All requests that are expected to exceed these amounts must be approved in advance by the Superintendent. Additional compensation is not provided for any work done during the contractual day.

B. Support Staff

1. No job vacancy will be filled by involuntary transfer or reassignment if there is a qualified volunteer available to fill the position, providing that the Board's work force requirements permit said volunteer to be transferred or reassigned.
2. In the event there is no qualified volunteer to accept the reassignment, then the Board will fill the position by transferring or reassigning the most junior qualified employee. However, the Board may transfer an individual with more seniority if in good faith judgment of the Superintendent, such transfer will better serve the needs of the School District.

3. Written notice of an involuntary transfer or reassignment will be given to employees at least seven (7) calendar days prior thereto.
4. Custodial/Maintenance/Grounds:
 - a. In the event there is a temporary requirement, as determined by a supervisor or the Superintendent, for a reassignment to a lead person, the qualified senior volunteer will be given the temporary assignment.

Permanent employees may apply for such job openings. A copy of the opening will be furnished to the Co-Presidents of the Association.
- B. In filling permanent job vacancies within the bargaining unit, the Board will first consider filling vacancies by promoting the senior employee from the next lower-rated job title who has the requisite qualifications and ability to perform the work. Where two (2) or more employees possess the requisite qualifications and ability to perform the work, the employee with seniority in the bargaining unit will be promoted. However, the Board may select an individual with less seniority if in the good faith judgment of the Superintendent, the less senior person is better qualified.

ARTICLE 29 – REDUCTION IN STAFF

- A. Reduction in Staff refers to those instances where the Board of Education takes action resulting in a decrease in the total number of employees within the school system. Dismissals resulting from a reduction in staff will be made in accordance with law and will not be based on an employee being in a protected category of race, creed, color, religion, national origin, sex, domicile, ancestry, marital status, domestic partnership status, affectional or sexual orientation, gender identity or expression, genetic information, disability or atypical hereditary cellular or blood trait of any individual, because of liability for service in the armed forces of the United States or for reason of residence or political action.
- B. The Board will give the Association prior written notice, and the right for consultation, before any reduction in staff is implemented. Written notice will be given to the Co-President of the Associations ninety (90) days prior to the implementation of any reduction in staff and will include specifically the number of affected employees. As soon as possible, when the names of the affected employees are known, this information will be given to the Co-Presidents of the Association. Every effort will be made by the Board to place the affected employees within the school system, where vacancies exist, and where teachers are properly certified. The Board will issue a seniority list by January 15 of each year. This list will be organized by service in the District and by certification.
- C. The Board will give consideration to the use of attrition to accomplish any reduction in staffing, within the time designated by the Board, to accomplish reduction in staffing.
- D. **Certified Teaching Staff Dismissals:**
 - 1. Dismissals of tenured teachers will be based on reverse seniority, and the standards established by the Commissioner of Education in accordance with the provisions of N.J.S.A. 18A:28-10 and Sections H. 1. and 2. of this Article.
 - 2. Non-tenured teachers will be laid off before tenured teachers to the extent required by law.
- E. **Recall of Certified Teaching Staff**
 - 1. If a tenured teacher is dismissed as a result of a reduction in staff, the teacher will be placed on a preferred eligibility list for reemployment in order of seniority. The Board, in filling teacher vacancies, will comply with the provisions of N.J.S.A. 18A:28-12.
 - 2. Any non-tenured teacher dismissed by reason of a reduction in staff will be placed on a list kept by the Superintendent, and will be considered in filling future vacancies in which the teacher is properly certified.
- F. **Curriculum Change:** If any element of the present curriculum is changed so that the program is offered outside the normal school day or on a separate tuition basis, the Board will offer employment first to the existing members of the teaching staff who are properly certified for such program before employment is offered to any person outside of the school system teaching staff.

- G. **Disputes:** Disputes with regard to reduction in staffing will be subject to consideration in the grievance procedure through Level Three, but will not be subject to consideration in the grievance procedure at Level Four.

H. **Support Staff Dismissals and Seniority**

1. Seniority for the purpose of this Article will be based upon an employee's continuous length of service with the Board.
2. In the event that two (2) employees commence their employment on the same date, their respective seniority will be determined by who was hired first.
3. No tenured secretarial/clerical staff will be laid off before non-tenured secretarial/clerical staff in that category.
4. The Board will maintain a seniority list of employees, copies of which will be furnished to the Association. The Board will promptly advise the Association's President of any changes in the seniority list.
5. An employee's seniority will cease, and his/her employee status will terminate, for any of the following reasons:
 - a. Resignation or retirement
 - b. Discharge for cause
 - c. Continuous lay off for a period exceeding six (6) months.
 - d. Failure of laid off employee to report for work
 - (1) On the date specified in written notice of recall mailed seven (7) or more calendar days prior to date; or
 - (2) Within three (3) working days after date specified in written notice of recall mailed fewer than seven (7) calendar days prior to date, unless the employee has a justifiable excuse for his/her failure to return to work. The Board will give careful consideration to an employee's reasons which may have caused a delay in his/her return to work. Written notice of recall to work will be sent by the Board by certified mail, return receipt requested, to the employee's last known address as shown on the Board's personnel records.
 - e. Failure to report to work for a period of three (3) consecutive scheduled working days without notification to the Board of a justifiable excuse for such absence.
 - f. Failure to report back to work immediately upon expiration of vacation, leave of absence, or any renewal thereof unless return to work is excused by the Board.

I. Support Staff Probationary Employment

1. All educational assistants and custodial/maintenance employees will be considered as probationary employees for the first sixty (60) calendar days of their employment. Probationary employees may be disciplined or terminated at any time during their probationary period at the sole discretion of the Board without recourse to the provisions of the grievance procedure of this Agreement.
2. Upon completion of the probationary period, the employee's seniority will be the date of employment.

J. Support Staff Reduction in Force

1. When circumstances necessitate a reduction in staff, the Board will take the following appropriate steps:
 - a. The Board will first consider for layoff the employees with the least seniority in the job titles affected.
 - b. Employees considered for layoff will first be considered for filling any existing vacancy in another job title of the same level, provided they have the requisite qualifications and ability to perform the work. If no vacancy exists, the employee will have the right to displace, in his/her level, an employee with less seniority in the job title that the employee has the requisite qualifications and ability to perform the work, and likewise in successive lower grades. An employee not placed under these provisions will be laid off. These provisions will also apply to displaced employees.

K. Support Staff Recall and Change in Hours

In making decisions about assignments for Support Staff, including recall and changes in hours, factors that will be considered include length of service of the available personnel qualifications for the particular assignment, and the ability to perform the work. The Board may select an individual with less seniority if in the good faith judgment of the Superintendent, the less senior person is better qualified.

ARTICLE 30 - RESIGNATION AND TERMINATION NOTICE

- A. Certified staff resigning from a position will provide the Board with sixty (60) days advance written notice.
- B. Employment of support staff can be terminated by either the employee or the Board upon thirty (30) days advance written notice.

2. Time worked beyond the normal work day assignment will be compensated at the educational assistant's regular rate up to thirty-six and one-quarter ($36\frac{1}{4}$) hours per week, and at one and one-half ($1\frac{1}{2}$) times the educational assistant's regular rate for the time worked beyond thirty-six and one-quarter ($36\frac{1}{4}$) hours. The educational assistant may request equal compensatory time in place of the hourly wage rate. The method of compensation will be determined by the educational assistant filling out the appropriate time sheet and having it signed by the educational assistant's immediate supervisor.
3. The full-time workday will consist of seven (7) hours per day exclusive of a one half-hour duty-free lunch period. All EAs will be scheduled by their respective supervisor. On Fridays and workdays preceding a holiday, staff may leave at the end of the student day.

B. Secretaries/Clerks

1. The workday will consist of eight (8) hours inclusive of a sixty (60) minute duty free lunch period. All secretaries/clerks will be scheduled by their respective supervisor.
2. Immediately upon the closing of school for students in June, until school opening in September, the normal workday will consist of seven (7) hours, inclusive of a sixty (60) minute duty free lunch period.
3. Overtime will be defined as working in excess of forty (40) hours per week. Compensation for administratively approved overtime will be either one and one half ($1\frac{1}{2}$) times the employee's regular rate or equal compensatory time, as determined by the administration.
4. Secretarial and clerical staff whose employment has continued for three (3) consecutive academic years, together with employment at the beginning of the next succeeding academic year, an academic year being the period between the time when school opens in the district after the general summer vacation and the beginning of the next succeeding summer vacation, will be provided tenure under the provisions of N.J.S.A. 18A:17-2.
5. During the pupil school year, the principal has the option to release secretaries/clerks up to thirty (30) minutes prior to the normal closing time on Fridays, and on any full school day prior to a school vacation closing.

C. Maintenance/Custodians/Grounds Staff

1. Subject to current practice regarding second shift overtime, each employee who works in excess of forty (40) hours per week will receive pay for such excess time at one and one-half (1½) times his/her regular hourly rate.
2. Reasonable amount of overtime is part of the expected workload. The scheduling and distribution of overtime will be performed equitably on a rotating basis, as far as circumstances permit, among full-time employees in accordance with the needs of the District as per the following:
 - a. General overtime will be scheduled and distributed in descending order from most senior employee to least senior employee in accordance with a posted general seniority list that includes the names of all full-time employees of the Maintenance/Custodial/Grounds Department. ("General Overtime" refers to overtime that does not require specific license/ certification to perform the overtime task including, but not limited to electrical, plumbing, asbestos, pesticide application, HVAC, etc.) If an employee declines, cannot be reached, or is otherwise not available for a specific overtime assignment, the assignment and subsequent assignments will be offered to the next employee on the list, and so on in descending order, until an assignment has been offered to every employee on the list, at which time the list will start again with the most senior employee.
 - b. Qualified overtime will be scheduled and distributed in descending order from most senior employee to least senior employee in accordance with a posted qualified seniority list that includes the names of only those full-time employees who hold specific licenses/certifications to perform an overtime task including, but not limited to electrical, plumbing, asbestos, pesticide application, HVAC, etc. If an employee declines, cannot be reached, or is otherwise not available for a specific overtime assignment, the assignment and subsequent assignments will be offered to the next employee on the list, and so on in descending order, until an assignment has been offered to every employee on the list, at which time the list will start again with the most senior employee.
 - c. If an employee is available on-site to perform an overtime assignment (either qualified or general), and the employee who is next on the list is not on-site, then the District may utilize the employee who is on site to perform the assignment, and this assignment will be charged against his or her turn on the list.
 - d. If an emergency situation arises that requires overtime, and in the good faith judgment of the Supervisor requires an immediate response and the employee who is next on the list cannot be reached, then the District may utilize another qualified employee who is immediately available, and this assignment will be charged against his or her turn on the list.
 - e. In the event that any employee is not offered his or her turn on the list as the result of an error or oversight, the employee will be offered an additional turn on the list as compensation for such error.

- f. The Supervisor will administer and coordinate the overtime schedule and distribution. The Supervisor will maintain an up-to-date Overtime Log that will reflect a listing of overtime worked by all department employees and a listing of overtime declined by all department employees. Any full-time maintenance/custodial/ grounds employee or Association Officer may review the Overtime Log, upon request to the Supervisor.
3. In the event an employee is called back to work after the completion of his/her regular work schedule, he/she will receive a minimum of four (4) hours pay at his/her overtime rate: one and one-half (1½) times his/her regular hourly rate.
 - a. The exception to the above is when an employee is called in to work within four (4) hours before, and worked through to the assigned shift. Such an employee is to be paid for the time worked at one and one-half (1½) times the regular rate.

D. All Staff

1. Each support staff employee, whose scheduled work week consists of thirty-six and one-quarter (36¼) hours or more, will have two (2) break periods per day of fifteen (15) minutes each, one to be taken in the first half of the work day and the other in the second half. The time for taking said breaks will be scheduled by the employee's respective supervisor. The supervisor will endeavor to consider the employee's preferences in scheduling breaks.
2. The Board will retain the sole jurisdiction and authority over matters of policy and will retain the right in accordance with applicable laws and regulations to create new shift times and/or days as may be required to meet the needs of the District. Forty-eight hours' notice will be given for shift changes.
3. All staff who have a lunch period scheduled will have an uninterrupted 30-minute duty-free lunch period. However, the Association recognizes that some issues of an emergency nature may need to be addressed during the lunch period.
4. Every effort will be made to provide teachers with a daily preparation period during which the teachers will not be assigned to any other regular duties or responsibilities. This will not be construed to require the employment of additional staff.

Duty periods may be assigned to teachers scheduled for less than thirty (30) instructional periods per week such that the sum of the teaching and duty periods does not exceed thirty (30) periods. For schedules that include block scheduling days, every effort will be made to ensure one full block period of prep per day.
 - a. Core curriculum area certified educators (English, Social Studies, Math, Science, and World Languages) will not have more than five (5) instructional assignments. Every effort will be made to minimize the number of preparations to a maximum of three (3). In extraordinary circumstances, a core curriculum certified educator may be assigned to teach a sixth class. The compensation will be \$5,000 unless the additional section is at the request of the teacher.

5. Every effort will be made to provide teachers with a daily preparation period during which the teachers will not be assigned to any other regular duties or responsibilities. This will not be construed to require the employment of additional staff.

**SIDE BAR AGREEMENT
BETWEEN THE HADDONFIELD BOARD OF EDUCATION
AND THE HADDONFIELD EDUCATION ASSOCIATION
REGARDING SIX TEACHING PERIODS**

WHEREAS, the Haddonfield Board of Education ("Board") and the Haddonfield Education Association ("Association") are parties to a Collective Negotiations Agreement effective July 1, 2021 through June 30, 2024 ("CNA"); and

WHEREAS, as part of good faith negotiations, the Board and the Association have reached an agreement to remove certain language within the CNA with regard to the teaching of a sixth teaching period. In particular, the parties have agreed to remove the language set forth in Article 31(F)(4)(c) of the CNA; and

NOW, THEREFORE THE PARTIES AGREE AS FOLLOWS:

1. Effective upon both parties ratification of this Side Bar Agreement, the CNA is modified as follows:

A. Article 31 (F)(4)(c) of the CNA is modified as follows:

4. Preparation time for all full-time middle and high school teachers shall include a 30-minute lunch, ten (10) regular classroom periods over a five (5) day work week. Duty periods may be assigned to teachers scheduled for less than thirty (30) instructional periods per week such that the sum of the teaching and duty periods does not exceed thirty (30) periods. For schedules that include block scheduling days, every effort will be made to ensure one full block period of prep per day.

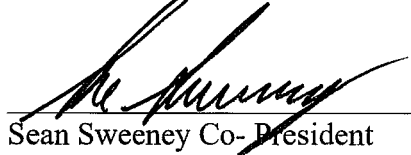

a. Core curriculum area certified educators (English, Social Studies, Math, Science, and World Languages Departments) will not have more than five (5) instructional assignments. Every effort will be made to minimize the number of preparations to a maximum of three (3). In extraordinary circumstances, a core curriculum certified educator may be assigned to teach a sixth class. The compensation will be \$5,000 unless the additional section is at the request of the teacher.

b. Certified educators in non-core curriculum areas may be assigned a sixth teaching period in cases of need. The purpose of this provision shall not be used to effect a reduction in force. Certified educators who teach six (6) periods shall not be assigned a non-instructional duty.
