## **2411 GUIDANCE COUNSELING**

The Board of Education requires that a planned program of guidance and counseling be an integral part of the educational program of the schools to assist students in making and implementing informed educational and occupational choices including academic, career and personal/social development.

A program of school guidance and counseling, including developmental career guidance and exploration, shall be offered to all students in this school district and shall include the services of teaching staff members certified as guidance personnel and other designated teaching staff members.

The Superintendent is directed to implement a guidance program that carries out the purposes of this Policy and:

1. Involves teaching staff members at all appropriate levels;
2. Honors the individuality of each student;
3. Is integrated with the total educational program;
4. Is coordinated with available resources of the community;
5. Provides for cooperation of school staff with parent and shares parents' concern for the development of their children;
6. Provides for the means of sharing information among appropriate staff members in the student's interest;
7. Ensures all students have access to adequate and appropriate counseling services, pursuant to N.J.A.C. 6A:7-1.7(c).
  - a. When informing students about possible careers or professional or vocational opportunities, the Board shall not restrict or limit the options presented to students on the basis of the protected categories listed at N.J.A.C. 6A:7-1.1(a).
  - b. The Board shall not use tests or guidance or counseling materials that are biased or stereotyped on the basis of the protected categories listed at N.J.A.C. 6A:7-1.1(a); and
8. Establishes a referral system that utilizes all the aid the schools and community offer, guards the privacy of the student, and monitors the efficacy of such referrals.
