6320 PURCHASES SUBJECT TO BID

The Board of Education directs the establishment and conduct of bidding procedures that serve the public interest and provide each qualified vendor an equal opportunity to furnish goods and services to the district.

Every contract for the performance of work or the purchase or lease of materials or supplies not exempted by law will be subject to public bidding whenever the aggregate value of such a contract within one contract year exceeds the bid threshold established by law and in accordance with N.J.S.A. 18A:18A-3.(a). Whenever possible, purchases will be aggregated; purchases may not intentionally be divided to avoid the requirements for competitive bidding as required in N.J.S.A. 18A:18A-8. The purchase of textbooks and materials that exceed the bid threshold and are approved by the Board pursuant to N.J.S.A. 18A:34-1 shall not require the further adoption of a resolution for purchase.

Bid specifications will be prepared and/or are coordinated by the School Business Administrator/Board Secretary. Each bid specification will offer a common standard of competition and will assert the Board's right to accept reasonable equivalents and to reject all bids and readvertise. The School Business Administrator/Board Secretary is authorized to advertise for bids in accordance with N.J.S.A. 18A:18A-21 without the prior approval of the Board, but shall inform the Board of any such advertisement at the Board meeting next following. Records of advertisements will be kept in detail sufficient to show that a reasonable number of qualified vendors were invited to bid.

Bids shall be opened publicly by the School Business Administrator/Board Secretary before one or more witnesses at a previously designated time and place. Contracts will be awarded, on a resolution duly adopted by the Board, to the lowest responsible bidder who submits the lowest responsible bid, except that the Board may choose to reject all bids, to readvertise, or to purchase under a State contract. The Board may disqualify a bidder who would otherwise be determined to be the lowest responsible bidder in accordance with N.J.S.A. 18A:18A-4. Whenever two or more bids are the lowest bids submitted by responsible bidders, the Board shall determine to which bidder the contract will be awarded.

The bid of a vendor who claims, before bids are opened, a mistake or omission in its preparation will be returned unopened. A bidder who discovers a mistake or omission after bids have been opened may withdraw the erroneous bid provided he or she gives immediate written notice of the mistake or omission and certification, supported by clear evidence, that he or she exercised reasonable care in the examination of the specifications and preparation of the bid. Any bidder who withdraws an opened bid shall forfeit any bid security deposited with the bid in accordance with law.

In accordance with the provisions of N.J.A.C. 6A:23A-5.4, pursuant to the authority granted the Commissioner of Education under N.J.S.A. 18A:55-2 and N.J.S.A. 18A:7F-60, the Commissioner shall subject to review for the withholding of State funds any school district that

fails to obey the provisions of the Public Contract law, N.J.S.A. 18A:18A-1 et seq. The amount of funds to be withheld shall equal the amount of the contract awarded in violation of the provisions of N.J.S.A. 18A:18A-1 et seq. except for violations related to the award of contracts under the extraordinary unspecifiable services (EUS) provision which shall be governed by the provisions of N.J.S.A. 18A:18A-46.1.

B. Solicitation of Bids

1. Bids will be solicited by advertisements placed by the School Business Administrator/Board Secretary in strict compliance with N.J.S.A. 18A:18A-21 and Policy No. 6320. Any advertisements placed without the prior approval of the Board will be reported to the Board at its next meeting.

4. Because the school district is exempt from the payment of sales and use taxes, all charges for taxes must be borne by the bidder.
5. The bid must note in detail any deviations from specifications. When the specifications indicate a product of a particular manufacturer, model, or brand, the bidder shall bid that particular manufacturer, model, or brand or, unless the specifications prohibit substitution, a substitute proven to be of equal or better grade. If a substitute is bid, the bid must include detailed documentation of its equivalency. Bidders may be required to submit samples of materials or products, to be retained by the Board. The Board shall determine the equivalency or acceptability of any substitute.

"BID OPENING," the date and time of the opening, and the nature of the contract bid on.

2. Each bid will be accompanied by a deposit for bid security, which will be returned to unsuccessful bidders.
3. A written request for the withdrawal of a bid will be granted if the request is received by the School Business Administrator/Board Secretary before the scheduled time for opening bids.
4. A bidder who claims, before bids are opened, that a mistake has been made in its preparation will be allowed to withdraw the bid but will lose the right to bid.
5. A bidder who discovers a mistake or omission after bids have been opened may withdraw the erroneous bid provided the bidder gives immediate written notice of the mistake or omission and certification supported by clear evidence, that he or she exercised reasonable care in the examination of the specifications and preparation of the bid. Any bidder who withdraws an open bid shall forfeit any bid security deposit with the bid.

E. Award of Contract

1. Bids will be opened by the School Business Administrator/Board Secretary or designee, in the presence of one or more witnesses, at the time and place advertised.
2. The Board will award and sign a contract or reject all bids in accordance with N.J.S.A. 18A:18A-36 and within the time as may be specified in the invitation to bid, but in no case more than sixty days, except that the bids of any bidders who consent may, at the request of the Board, be held for consideration for such longer period as may be agreed.
3. The Board will award the contract to the lowest responsible bidder or will reject all bids. If all bids are rejected, the Board will readvertise or purchase under a state contract.
4. The Board reserves the right to reject any bid and may waive technical deficiencies in an otherwise acceptable bid when such waiver is in the public interest.
5. No contract or order awarded by the Board shall be sublet or assigned without the written consent of the School Business Administrator/Board Secretary.
6. The successful bidder may be required in the bid specifications and upon award of the contract to furnish a surety or performance bond issued by a responsible surety company authorized to transact business in New Jersey, for 100% of the total contract price, insuring faithful performance of the contract. The bond,

pursuant to N.J.S.A. 18A:18A-23 and 24, shall be payable to the Board and the cost of the bond is to be included in the bid.

7. The bidder's failure to perform his or her contract with the Board in accordance with the bid accepted by the Board or failure to meet performance bond requirements may result in forfeiture of the bidder's deposit as liquidated damages and not as a penalty.
8. Every bidder is assumed to be acquainted with all the information necessary for the submission of an informed and responsible bid. A successful bidder will be responsible for any errors in his or her proposal resulting from the bidder's failure or neglect to obtain information and forecast costs. The Board will not be responsible for any change in anticipated profits resulting from such failure or neglect.
9. When a contractor fails to perform the terms of the contract promptly, the Board shall give written notice of default. If the contractor fails to cure the default within the time permitted by the notice, the Board may terminate the contract and, at the expense of the contractor or the surety, complete the contract or cause the contract to be completed.

F. Bidder Disqualification

1. The Board may, by resolution approved by a majority of the Board, and pursuant to N.J.S.A. 18A:18A-4 disqualify a bidder who would otherwise be determined to be the lowest responsible bidder, if the Board finds that it has had prior negative experience with the bidder.
 - a. As used in this section, "prior negative experience" means any of the following:
 - (1) The bidder has been found, through either court adjudication, arbitration, mediation, or other contractually stipulated alternate dispute resolution mechanism, to have: failed to provide or perform goods or services; or failed to complete the contract in a timely manner; or otherwise performed unsatisfactorily under a prior contract with the Board;
 - (2) The bidder defaulted on a contract, thereby requiring the Board to utilize the services of another contractor to provide the goods or perform the services or to correct or complete the contract;
 - (3) The bidder defaulted on a contract, thereby requiring the Board to look to the bidder's surety for completion of the contract or tender of the costs of completion; or

- (4) The bidder is debarred or suspended from contracting with any of the agencies or departments of the executive branch of the State of New Jersey at the time of the contract award, whether or not the action was based on experience with the Board.
- b. The following conditions apply if the Board is contemplating a disqualification based on prior negative experience:
 - (1) The existence of any of the indicators of prior negative experience set forth in this section shall not require that a bidder be disqualified. In each instance, the decision to disqualify shall be made within the discretion of the Board and shall be rendered in the best interests of the Board.
 - (2) All mitigating factors shall be considered in determining the seriousness of the prior negative experience and in deciding whether disqualification is warranted.
 - (3) The bidder shall be furnished by the Board with a written notice:
 - (a) Stating that a disqualification is being considered;
 - (b) Setting forth the reason for the disqualification; and
 - (c) Indicating that the bidder shall be accorded an opportunity for a hearing before the Board if the bidder so requests within a stated period of time. At the hearing, the bidder shall show good cause why the bidder should not be disqualified by presenting documents and testimony. If the Board determines that good cause has not been shown by the bidder, it may vote to find the bidder lacking in responsibility and, thus, disqualified.
 - (4) Disqualification shall be for a reasonable, defined period of time which shall not exceed five years.
 - (5) A disqualification, other than a disqualification pursuant to which a Board is prohibited by law from entering into a contract with a bidder, may be voided or the period thereof may be reduced, in the discretion of the Board, upon the submission of a good faith application under oath, supported by documentary evidence, setting forth substantial and appropriate grounds for the granting of relief, such as reversal of a judgment, or actual change of ownership, management or control of the bidder.

- (6) An opportunity for a hearing need not be offered to a bidder whose disqualification is based on its suspension or debarment by an agency or department of the executive branch of the State of New Jersey. The term of such a disqualification shall be concurrent with the term of the suspension or debarment by the State agency or department.
